

Case Study

KGBV Anaikulam, Narikudi Block, Virudhunagar District

T.Chithradevi from Uvar Puliyanikulam in Narikudi Block, could not continue her studies after completing her primary education due to her family situations. Her mother was the only breadwinner of their family and she let her three female children to look after their cattle. When out of school children

survey was conducted in this area, the KGBV teachers found out these children. Guidance and Counselling was given to Chithradevi and her mother about the importance of education to female children, her mother allowed her to join in KGBV in Narikudi to continue her education.

At the beginning, she found it difficult even to identify the letters in Tamil itself. Later there was a notable improvement in her studies. She got the first place in the exams conducted in KGBV. After finishing her VIII standard, She wished to continue her secondary education. With the help of ODAM Trust, she completed her school finals with 1054/1200 marks in higher secondary examination. She is also successfully continuing her nursing course in Government Medical College, Madurai with great enthusiasm.
